**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer of competitive DSL services from a small, successful ISP, I oppose the USTelecom petition.

The reduction of competition driven by the USTelecom petition will increase prices and reduce service in a market that is already dominated by large providers, whose poor service is enabled by far too little choice in providers and a lack of competitive pressure.

Please preserve my market choice and ability to receive better customer service and a superior product at competitive prices.
